1. Call to order/Introductions

The meeting was called to order by SCEMA Deputy Coordinator Harding at 1335.

2. Approval of May minutes and August Tentative agenda

The group agreed to dispense with formal rules of order and approved the May minutes and the August agenda without changes.

3. Guest Speaker

- ISU Environmental Health & Safety
- Briefing and Facility Tour

Anthony Romero with ISU EH&S, Emergency Management showed the group a video that detailed the role that EH&S plays on the ISU campus and gave the group a behind the scenes tour of the ISU EH&S facility.

4. Old Business

- HMEP Training/Planning Grant
 - i. Commodity Flow
 - ii. Media/PIO Course

Harding talked to the group about the limitations of funding to support so of the ideas proposed for the HMEP grant. He added that SCEMA would be willing to explore other class options (such as PIO) via homeland security. There was no specific discussion or request for that training at this meeting.

5. New Business

- Iowa Code Chapter 22 Changes

Harding updated the group on the code change that requires a remote option for meetings. There was no concern among the group about it.

6. Training Opportunities

Discussed more in the round table were training opportunities such as fire extinguisher training and Stop The Bleed training.

7. Spill Review

The group was made aware of the 7 reported spills since Oct 26th of 2023. The link below is to the Iowa DNR website where the spill data is kept.
