## Narrative

On 5/11/13 at approximately 1049 hours I was dispatched to respond to 620th Ave and 305th Street for a truck versus motorcycle accident. When I arrived on scene I observed the driver of the motorcycle, Cory Harmon, alert and walking around. Medical was on scene. He seemed confused and disoriented so Story County Medical Ambulance transported him to Mercy Medical in Des Moines, Iowa. I met with the driver of vehicle one, the Dodge Ram pulling an empty anhydrous tank. The driver of vehicle one was Jeffrey Longnecker. He stated that he was in the northbound lane of 620th Ave, going southbound and slowed to turn east on 305th Street when a motorcycle came up quickly behind him and struck him from behind. The skid mark on the road from the motorcycle and markings on the left rear tire of the trailer attached to the truck was consistent with this. Jeffrey was uninjured and he stated that when he felt the motorcycle hit, he went to see if the driver of the motorcycle was okay and he was unconscious for a little while. I approximated the damage to the motorcycle \$10,000 and there appeared to be no damage to the truck and trailer. Pictures were taken of the vehicle and the scene. I followed up with Cory on 5/12/13 and he stated that he was feeling okay and had been released from the hospital.
