## Narrative

Unit One was southbound on Hwy 69. Driver, Amanda Beehler, had just left Ames city limits and was increasing her speed to the posted 55mph limit when she observed a vehicle traveling northbound in her lane. Beehler attempted to drive into the ditch to avoid a collision, however was struck head on by Unit Two, causing injuries to Amanda, her front seat passenger Dana Beehler, and rear seat passenger Christina Hilton. All parties were transported to area hospitals.

Unit Two, operated by Marina Scott, was northbound on Hwy 69 coming from a club in Des Moines. Marina had 3 passengers, Jacob Williams in the front passenger seat, Alicia Runyan in the passenger side rear seat, and Austin Hammer in the driver's side rear seat. According to Marina, she was the only person awake in the vehicle, and believed all other occupants to be asleep at the time of the collision. Marina stated that she believes she fell asleep, causing her to cross the center line of the roadway and strike Unit One.

Iowa State Patrol Troopers responded to both hospitals to collect blood from both drivers. A Story County Sheriff's Deputy, Aaron Kester, certified in Traffic/Crash Reconstruction was called to investigate the collision scene. Marina and Amanda consented to breath tests with negative results for alcohol. Injuries sustained to two passengers involved in the collision are believed to be life threatening. The investigation is ongoing with possible criminal charges pending.
