Narrative

Vehicle #1 was discovered on the north side of E. Riverside, east of Stagecoach Road by a subject passing by. Vehicle #1 had rolled several times and the driver was located approximately 20 feet away from the vehicle. The driver was alert and able to speak. The driver did not know what time he wrecked or where he was. Vehicle #1 had frost on the windshield.

While conducting my investigation on scene, it was determined that vehicle #1 went off the roadway to the south. Driver of vehicle #1 over corrected causing the vehicle to enter the north ditch. Vehicle #1 then rolled several times and the driver was ejected.

The driver was transported by ambulance to Mary Greeley Medical Center.

Dave's Towing of Ames conducted the tow.

It is unknown what time the accident actually took place. It is unknown what caused the accident (examples, driver fell asleep, deer, etc). It is also unknown at the time of this report, the extent of the driver's injuries.
