Narrative

Vehicle 01 was southbound on Hwy 65. The driver hit a batch of ice/slush on the roadway and lost control of his vehicle. The vehicle fish-tailed to the East and then back to the west before leaving the roadway, sliding across a residential drive and struck a light pole. Once the vehicle hit the light pole, it spun around and came to rest. The pole was not broken, but the home owner was going to call Alliant Energy to have it looked at. The driver had a small cut on his chin and a red mark on his left cheek. The driver was going to call his insurance carrier, State Farm, and have them tow it off the property. Damage to the vehicle was on the drivers side, between the two doors where the vehicle had struck the pole. A witness, Lori Gilmore, at 641-521-1231, stated she was behind the car, they were traveling about 50 miles per hour, when she saw vehicle 01, lose control. Witness stated the back end of the car came off the roadway, and spun around, before striking the light pole. Driver was transported to Story County Hospital to be checked out.

Narrative

On Tuesday, December 17, 2013, at approximately 1521 hours, unit 1 was in the westbound lanes of W. Maple stopped waiting to turn south on Industrial Drive. Unit 1 was a red Case Model 9380 Farm Tractor pulling a field tile trenching machine. Unit 2 was westbound behind unit 1. Unit 2 was a black Semi tractor pulling a dark colored dump trailer. Unit 2 stated he followed unit 1 through town before the collision. Unit 1 was stopped waiting to turn south. Unit 2 failed to stop in a safe distance after hitting a patch of ice behind unit 1. Unit 2 struck unit 1 in the rear. Unit 1 sustained over \$1500 damage and was driven from the scene. Unit 2 sustained approximately \$1000 and was driven from the scene. Unit 2 was cited for failure to stop in a safe distance. The driver of unit 1 complained of back pain and was transported to Mary Greeley Medical Center by Mary Greeley Ambulance.

A witness across the street from the accident location stated she was getting gas and witnessed the accident. Shelly Richardson stated she saw the tractor slow and come to a stop westbound on W. Maple waiting to turn south on Industrial. Richardson stated the farm tractor had a left turn signal on when the semi did not slow and ran into the back of the tractor.
