Murken moved, Zinnel seconded motion to approve the Boone #140-Story #7 crossing permit submitted by Alliant Energy with Interstate Power and Light Company designated as Installer. MCU.

Heddens moved, Kretzinger seconded motion to adjourn. MCU. Meeting adjourned at 9:07 a.m.

**BOONE AND STORY COUNTY JOINT DRAINAGE DISTRICT
CROSSING PERMIT**

To the District Trustees, Boone and Story County, Iowa:

I, Matt Deam, on behalf of
Interstate Power & Light Company
Cory Knapp Q3 Contracting 615 E Lincoln Way, Ames, IA 50010
Installer/Contractor Owner Address

do hereby make application requesting permission pursuant to Iowa Code Section 468.186 to cross
drainage district tile(s) in Drainage District(s) Boone #140-Story #7
located at
1120 1st Ave N, Slater, IA on Heartland Coop property.

We mutually, as installer/contractor and/or owner, (Both hereinafter referred to as the permittee),
agree that the following stipulations shall govern under this permit.

1. The Permittee will file plans setting out the location of the proposed work and that the description of the proposed installation will be included with this agreement showing type, height, and spacing of the same: Q3 will be installing a new three phase 4/0 underground electric line. This line will cross the 30" tile line located 575' east of the 500th Ave centerline. The top of the tile is 6' 10" below existing grade. The new electric line will be burried at a depth of 4' 10" to maintain 2' 0" of separation to the top of the tile.
2. The installation shall meet the requirements of county, state, and federal laws, the Iowa State Department of Health, and any other laws or regulations applicable.
3. The Permittee shall be fully responsible for any future adjustments of its installations within the established drainage district right-of-way caused by district construction or maintenance operations.
4. The drainage district assumes no responsibility for damages to the Permittee's property occasioned by any construction or maintenance operations on said district.
5. The Permittee shall be responsible for any damage resulting to said district because of the construction operation, or maintenance of said installation, and shall reimburse the district for any expenditure the district may have to make on said district because of said permittee's installation having been constructed, operated, and maintained thereon.
6. The Permittee shall indemnify and hold harmless Boone and Story County and the drainage district from any and all causes of action, suits at law or in equity, or losses, damages, claims, or demands, and from any and all liability and expense of whatsoever nature for, on account of or due to the acts or omissions of said Permittee's officers, members, agents, representatives, contractors,

employees or assigns arising out of or in connection with its (or their) use or occupancy of the district under this permit.

7. Noncompliance with any of the terms of the permit, or agreement, may be considered cause for revocation of the permit.
