Pyle explained that during budget review at the February meeting, Board members identified that the FY22 re-estimated column total did not match the FY22 total with amendment increase. The Board moved ahead to approve the FY22 amendment for public hearing under the provision that Pyle would adjust the FY22 re-estimated expenditures to balance the totals. Following, Pyle made an adjustment to Line 13. Mapping. The re-estimated expenditure was decreased from \$3,000 to \$2,000 to balance total expenditures at \$889,954.
