Prior to January 1, 2021, the Story County Animal Shelter used handwritten records to track animal shelter and animal control operations. Some of these handwritten records were not well detailed, which may result in gaps in the data. Beginning January 1, 2021, we implemented Shelter Pro, an automated software system for animal shelters. From January 1, 2021 forward, Story County Animal Shelter records are complete, accurate and without data gaps.
